

STUDY WEEKEND* Apr.15-16 BBOF

SAT. 10 AM-What is our basis? Describe it. Why is it necessary? (Don't we just use the Bible?) It's just written by man, isn't it? Why so many points? Do a brief rundown of the history of the errors which necessitated the points showing how they are corrected and clarified in the basis.

SAT. 11 AM- Biblical teaching on fellowship. Does it matter? Why does it? What points need complete agreement and why so? Is it possible to go too far in requiring too much? Lessons on the leaven. Why so many different 'fellowships'. Use of the section in our BBOF is encouraged both as a guide for this and as a source to be quoted from freely.

SUN. 10 AM SS Talk “Why don’t we just be like everyone else?”
Our point here is that our goal is different from that of the world around us; so we don’t want to be like everyone else because we don’t want to end up where they end up.

SUN. 11:20 AM Exhortation “Eye hath not seen, nor ear heard.”
This is to bring out the glories and rewards of achieving the favour of a part in the future age which is so often lost sight of during the struggles of the present.
