As previously distributed on Sept 13 Ecclesial News email, the workbooks for the Saturday sessions are also posted on website: <https://www.richardbereans.com/study-weekends> There are three levels of workbooks (Junior, Intermediate, Advanced) to aid you in preparation for the group discussions. Please select the workbook to fit your preference. The discussion groups will not strictly follow the workbooks due to time limitations.

For any planning to attend in-person please notify any of the Edmonton Ecclesial members for assistance in arranging accommodations.

We have 3 levels of workbooks:

- 1) Youth Workbook - targeted for ages 10 to 15 (11 pages)
- 2) Intermediate Workbook (45 pages)
- 3) Advanced Workbook (54 pages)

The primary difference in the Intermediate and Advanced Workbook are the number of questions. Generally all of the questions in the Intermediate Workbook form part of the questions in the Advanced Workbook.

These files are in both Microsoft Word .docx format and Adobe PDF format.

We are looking to arrange to post these on a website for download.

If anyone has issues opening these files or has any questions please reach out to me.

All plans are subject to the will of our Father.

Love in Christ,

-Bro. David Humphreys
