AUKUS: UK, US and Australia launch pact to counter China

BBC, September 16, 2021

World War 1 poster – reads...
"Helped by the YOUNG LIONS,
the OLD LION defies her foes"

EVENT

The UK, US and Australia have announced a historic security pact in the Asia-Pacific, in what's seen as an effort to counter China. It will let Australia build nuclear-powered submarines for the first time, using technology provided by the US. The Aukus pact, which will also cover AI and other technologies, is one of the countries' biggest defence partnerships in decades, analysts say. China has condemned the agreement as "extremely irresponsible". Foreign ministry spokesman Zhao Lijian said it "seriously undermines regional peace and stability and intensifies the arms race". China's embassy in Washington accused the countries of a "Cold War mentality and ideological prejudice". **The new partnership was announced in a joint virtual press conference between US President Joe Biden, UK Prime Minister Boris Johnson and his Australian counterpart Scott Morrison on Wednesday.**

COMMENT

This announcement took the world by surprise. There is usually some build-up to new pacts like this – but on this occasion there was nothing at all. But that in itself led to shock from friends and enemies of the UK, US and Australia. And this is a big deal...Analysts say that this "Aukus alliance" is probably the most significant security arrangement between the three nations since World War Two. The three nations are coming together and sharing nuclear technology (weapons) to counter the threat from the east – especially China. With Bible in hand we see "Tarshish and the young lions" mentioned in Ezekiel 38 emerging as foretold. Tarshish is Britain (the old lion). The young lions are English speaking nations that came out of Tarshish. This would definitely include the US and Australia. **The king of the south power is coming together.**

BIBLE QUOTE

Sheba, and Dedan, and the merchants of Tarshish, with all the young lions thereof, shall say unto thee, Art thou come to take a spoil? hast thou gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil?

Submarine 'treason' shows Britain is vassal state of US, say fuming French

The Times, September 19, 2021

EVENT

France has labelled Britain an American “vassal” and denounced Australia for “treason” over its decision to cancel a €56 billion deal to buy 12 French diesel-electric submarines. The Australian government has opted instead for more sophisticated nuclear-powered submarines from Britain and America; a move described by a furious Jean-Yves Le Drian, the French foreign minister, as a “stab in the back”. Le Drian announced on Friday that he was recalling France’s ambassadors to Australia and the US in protest, an extraordinary step among such close allies and a sign of the Macron government’s displeasure at having been given only a few hours’ warning of the change, made public on Wednesday. Clément Beaune, France’s outspoken Europe minister, turned his fire on the UK. “Our British friends explained to us that they were leaving the EU to create Global Britain. As you can see, it is a return to the American fold and accepting a form of vassal status,” he told Public Sénat, a state television station.

COMMENT

Even though Britain could have forged this new agreement with the UK and Australia before Brexit it is highly unlikely they would have done so. Before Brexit, Britain was in the EU and would have been obligated to tell their partners of something like this. But post Brexit, Britain is looking to become a global power again and forge closer ties with the wider world outside Europe. This has incensed the French as this new nuclear submarine deal cancels their own deal with Australia costing France billions. Again with Bible in hand we see how this fits with Bible prophecy. Britain is NOT part of the EU alliance of nations (political Babel / Babylon) that come together under the false religion of Rome (spiritual Babylon). Brother John Thomas understood this 150+ years ago!

BIBLE QUOTE

Britain is not included in the ten toes. She is reserved of God to antagonize Russia” and “The ten toes belong to the image as a united dominion; hence Britain cannot be included among them

(Elpis Israel – written by John Thomas)

Putin's party wins 'most corrupt vote yet'

The Times, September 20, 2021

EVENT

President Putin's United Russia party secured a resounding victory last night in parliamentary elections held against the backdrop of a brutal crackdown on opposition groups and widespread reports of vote-rigging. Millions of Russians went to cast ballots in a vote tightly managed by the Kremlin and stripped of all but a few independent candidates, some of whom had to campaign from jail or run against doppelgänger rivals who changed their names to confuse voters. During the three days of voting, which began on Friday, video showing apparent ballot-box stuffing and other tricks surfaced on social media. One clip from Saratov region showed two women inside an empty polling station feeding dozens of ballots into a machine. It bore the time stamp 8.15pm, shortly after the station had closed. An online tally of voting violations by the independent Golos organisation listed more than 4,000 cases last night.

COMMENT

There are few that doubt the incredible amount of corruption at the heart of the Russian government. It is shown in many aspects of Russian life but no more so perhaps than the rigged elections that keep Putin himself and his party in power. All opposition is removed one way or another – murder, imprisonment, exile etc. On top of this, vote rigging ensures any final possible chance of anything other than a landslide takes place. Anything goes to stay in power. The EU court of Human Rights found this week that Russia was responsible for killing Alexander Litvinenko. He was murdered in London using radiation poisoning. The Bible says the Gog will cause deceit / corruption to prosper under his rule – and he will magnify himself. This is what Putin is doing....

BIBLE QUOTE

And through his policy also he shall cause craft [deceit / corruption] to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

Verse 23-25 of Daniel 8 is speaking of latter day Antiochus Epiphanes – GOG!

At UN, Abbas Gives Israel One-year Ultimatum

Haaretz, September 24, 2021

EVENT

President Mahmoud Abbas used his UN General Assembly address on Friday to warn that the **Palestinian Authority would reverse its recognition of the 1967 borders and push to press charges against Israel in the International Criminal Court if the country did not withdraw from the West Bank, Gaza Strip and East Jerusalem within one year.** In his pre-recorded speech, Abbas said that he is "ready to work throughout this year on the delineation of borders and solving all final status issues under the auspices of the international Quartet and in accordance with United Nations resolutions. If this is not achieved, why maintain recognition of Israel based on the 1967 borders?" Referring to the Oslo Agreement, Abbas said Palestinians "remained committed to all of its elements to this day," whereas "Israel has not honoured its obligations under the signed agreements and has evaded participating in peace initiatives and instead pursued its expansionist, colonial enterprise, **destroying the prospect of a political settlement based on the two-state solution.**"

COMMENT

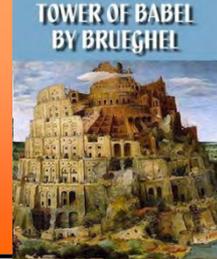

Back in 1993 the Oslo accords were signed between Israel and the PLO. **The accords created a Palestinian Authority (PA) who would have limited self governance in the West Bank and Gaza Strip. The accords did not create a Palestinian State** – but left sensitive issues such as state borders, Jerusalem etc to be decided in further agreements. In return the PLO recognised Israel's right to exist inside the borders created in 1967. But now the leader of the PA has issued an **ultimatum of one year to sort out the issues of the borders and Jerusalem. And if they are not sorted they will cease to recognise Israel's right to exist** – which could lead to the initial inner ring war.

BIBLE QUOTE

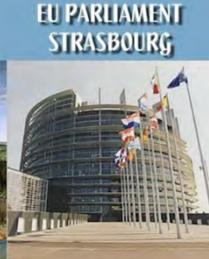

They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. For they have consulted together with one consent: they are confederate against thee:

Macron may offer up UN seat in push for EU army

Daily Telegraph, September 22, 2021

TOWER OF BABEL
BY BRUEGHEL

EU PARLIAMENT
STRASBOURG

EVENT

Emmanuel Macron is spearheading plans for a “European Defence Union” of closer military integration in the wake of the submarine row with Australia and the US withdrawal from Afghanistan. A close ally of the French President has suggested his push for an EU army could result in a serious discussion about the bloc’s representation on the Security Council. Sandro Gozi, an MEP for Mr Macron’s party, said: “I think that if we move on these things we can put on the table also the discussion on the Security Council.” His intervention comes after the bloc’s leaders discussed the creation of a 5,000-strong rapid response unit after America’s withdrawal from Afghanistan forced European nations to cut their evacuation efforts short. And Paris is also pushing for further EU military integration after Australia reneged on its £45 billion contract to buy French-built submarines and signed a security pact with the US and UK instead.

COMMENT

France is the only EU member state to have a permanent seat on the UN Security Council after Brexit. Mr Macron is considering plans to share France’s UN seat if he can secure concessions that will make it easier to create an EU army. He is backed by the European Commission President Ursula von der Leyen. She urged EU nations to put aside their long-held reservations about putting boots on the ground and build a “Defence Union”. What we are looking at here is the beginning of a resurrected Holy Roman Empire. 10 nations will come together to fight against Christ and the saints who at that point will be established in Israel. This new “empire” is the last stand of Babel. Babel was the original kingdom of men. It was part political and part false religion (a city and a tower). Ancient Babylon was Babel resurrected. The resurrected HRE is also Babel resurrected - Which is why this new empire has Babylon written on her head.

BIBLE QUOTE

And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings:

EU ministers join forces to weaken Russia's grip on gas supply

The Times, September 22, 2021

EVENT

Europe's energy ministers have discussed an ambitious plan to buy strategic gas reserves as a bloc in an effort to counter Russian efforts to cut supply and hike prices. The European Union meeting today was meant to focus on climate change but has been overshadowed by gas shortages and subsequent price spikes that threaten an energy crisis this winter. A key factor in the crisis is a decrease in the volume of natural gas exports from Russia to northern Europe after a fall in storage capacity due to last year's long winter. Spain is leading calls for the EU to use the combined purchasing power of its 27 countries to buy up gas reserves that would allow it to effectively set a ceiling for prices, to protect governments and consumers. **The confidential Spanish plan, seen by The Times, aims to ensure that the EU is no longer held hostage by Russia, which is accused of fuelling the crisis by deliberately limiting gas supplies via its state-owned Gazprom company.**

COMMENT

Russia is NOT part of the resurrected Holy Roman Empire of Revelation 17 quoted on the previous slide. The beast of Daniel 7 is Western Europe not East. Therefore the beast of Revelation 17 (with 7 heads and 10 horns) is also Western Europe. Russia is Eastern Europe. The Bible depicts Eastern Europe in Revelation as a Dragon. In Revelation 16 we have the beast and dragon as 2 totally different powers. We expect therefore for these two powers to remain separate. Russia would like to control the beast – but it never truly can – and in fact friction remains between them to the end. We see this in this report above as the EU tries to limit Russia's influence on them.

BIBLE QUOTE

After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

Daniel 7 deals with the West – Daniel 8 deals with the East.

(Daniel 7:7)

The geographical extent of the Roman Habitable upon which the barbaric tribes of the abyss established themselves with Feudal Sovereignty, was the Mediterranean West. They have to be enumerated by the names they bore in the period when they were engaged in the work of establishing themselves upon that territory. The symbol, as we shall see, requires at least eleven abyssal tribes—ten for the horns, and one or more for the Seventh Head. The following is the list that seems to me authorized by history: 1. Huns; 2. Vandals; 3. Visigoths; 4. Burgundians; 5. Gepidœ; 6. Lombards; 7. Franks; 8. Suevi; 9. Alans; 10. Bavarians. These were the founders of the Horn-Kingdoms of the Beast. This divided form of Mediterranean Europe has continued for ages, even to the present time; though the number of its divisions has not always, nor is it now, ten. The prophecy does not require that the number of the kingdoms should be invariable. They were ten in the period of their foundation, and from this fact have acquired the symbolic

designation of the Ten Horns. So that though their number might be reduced onehalf, the power that might be established over the territory they originally occupied would, to that extent, be represented as the Ten Horns.

SUMMARY: Whatever be the current configuration and number of nations, the symbolism must always be regarded from the viewpoint of its original configuration of ten barbarian kingdoms and one seventh head Roman kingdom.
